*The Brush Board of Education's sole purpose is to provide effective governance focused on top priorities for success, student-by-student, in the Brush School District.*

### BOE's Core Values

#### ***Kids First***

We practice caring and compassion for all kids and the people who care for them as we set high expectations for all students.

#### ***Learning***

We are continuously learning as a Board and as an organization which inherently involves collaboration and taking risks.

#### ***Communication***

We shall listen to, share with, and actively engage students, staff, parents, and community.

#### ***Accountability***

We recognize that we are ultimately responsible for the budget, facilities and student achievement, and we enjoy that role.

#### ***Team***

By demonstrating respect to each other and everyone with whom we come into contact as a Board Member we can accomplish any goal we set as a team.
